BOWS

Welcome!

We're so glad you're here with us at Evolution Academy of Dance!

Our Mission Statement:

At Evolution Academy of Dance, we believe that dance education is about more than just dance technique, and more than what happens in the classroom. Evolution Academy of Dance Strives to be a guiding force in the evolution of the dance education industry by upholding a responsibility to add value to our students, staff and community.

We intend to accomplish this by:

- Advocating for dancers' physical, emotional and mental wellness
- Providing a supportive community that celebrates each others' victories
- Cultivating a culture that pursues and celebrates growth over perfection.
- Providing multiple program options that encourage a love of dance at any level of commitment from introductory to pre-professional.

Here is how our Holiday Showcase supports our Mission

The Holiday Showcase is created as a joyful, low-pressure introduction to performing—an early-season celebration of all that our dancers have learned so far. While our studio has grown and we are thrilled to share this performance in a larger venue this year, the heart of the showcase remains intentionally warm, supportive, and relaxed.

While we are in a more theatrical space, you'll still see touches that keep the spirit of the showcase informal and encouraging—teachers assisting dancers onstage, gentle transitions, and an overall emphasis on building confidence rather than perfecting performance polish.

For many of our dancers, this is their very first time performing on stage. Some have been dancing with us for a little over two years, and others joined us as recently as six weeks ago. Today's performance celebrates each of them—wherever they are in their dance journey—and recognizes how much they have already accomplished this season.

We hope this showcase fills you with the joy and magic of the holidays, and that you'll join us again in May for our full-scale Spring Recital on Saturday May 16, where you'll see just how much these incredible dancers continue to grow.

Thank you for celebrating with us today, and for supporting the dancers of Evolution Academy of Dance.
